Online shopping

- You will be compensated for the direct financial loss incurred in internet transactions through payment cards or mobile wallets initiated by a third party for purchasing goods or services that remain undelivered or unrendered.

Identity theft

- Any incident of identity theft should be reported to us and the police within 72 hours of discovering that your identity has been stolen.

Territorial scope

- You will enjoy cover for incidents that occur anywhere in the world, subject to the laws of the Republic of South Africa.

Theft of funds

- Should your money be stolen online, you must report the incident to your bank or mobile wallet company within 48 hours of the incident, and to the police within 72 hours.

Other insurance

- If a claim payable under this policy is payable under any other policy as well, we will only pay our proportional share of the claim.
- Exclusions
- Any incidents relating to your business or profession will be excluded. We do, however, also offer cyber-insurance for businesses.

24/7 Telephonic Cyber Assistance

- Another outstanding feature of [MY]CYLUTION is the 24/7 telephonic assistance for cyber-related incidents. Not only will you use the 24/7 Telephonic Cyber Assistance to report incidents, but also to receive proactive assistance. The services include online identity protection guidance and general online protection tips. And when things go wrong, a dedicated specialist will provide you with incident remediation from the first call to resolution.
