If your financed vehicle is stolen or written off, and your insurance falls short, trust Auto Top-Up cover to bridge the financial gap. Enjoy benefits such as personal accident cover, excess and instalment protection, and a unique advantage – no excess payment on Auto Top-Up claims.

Added benefits available to you

- Personal accident cover in the event of accidental death or total permanent disability of the registered owner of the vehicle.
- Optional excess protector assists you by paying the selected excess amount you paid on your claim.
- Optional instalment protector pays up to 2 months on your monthly vehicle instalment until your claim has been finalised.
