Unfortunately, accidents happen. Even the most careful drivers can be caught unaware. Tyre and Rim has been specifically designed with this in mind and offers cover for damage to your tyres and rims without claiming from your short-term motor policy.

Added benefits available to you

- Six repairs per year on puncture incidents.
- Cover for one incident on wheel balancing per year.
- Cover for one incident on wheel alignment per year.
- Access traffic fine support for swift and efficient fine monitoring, notifications, and assistance in obtaining discounts on new fines if available. Enjoy comprehensive assistance with your traffic fines.
